**Re: Improperly Submitted Grievance Appeal (#DCF-2018-1001-00031-G)**

Dear Mr. Roppolo:

Your "Misconduct/Grievance Appeal to Administrative Review Authority" (appeal) form, dated March 10, 2018, was received in the medical administrative review authority's (MARA) office on March 14, 2018. In accordance with OP-090124, I am returning (a copy of) your original correspondence unanswered for the following reason(s):

1. You did not submit your appeal to the proper authority. The nature of your complaint involves your concerns regarding the law library staff and the amount of research you would like them to provide. As this is not a medical issue, the MARA is not the proper authority to whom you must submit this complaint.

The appropriate method for addressing any health concern is via the facility's sick call process. Please document such concerns on a "Request for Health Services" form and submit it to the medical unit at your facility. If necessary, an appointment can then be scheduled for you to be examined by a qualified health care professional.

**WARNING:** It is your responsibility to submit your grievance correspondence properly in accordance with OP-090124. Please read this policy before you submit any other correspondence. Contact your case manager if you have questions or need further assistance regarding the grievance process. A grievance restriction may be imposed, as described in §IX, for any subsequent misuse and/or abuse of the grievance process.

Sincerely,

Buddy Honaker

Inmate Roppolo asked that the Law Library allow him to purchase only the most favorable U.S. Supreme Court decisions that are relevant to the court cases he listed.

After an investigation of the matter Willa Burney, Law Library Supervisor advised that I/M Roppolo is able to do his own research into what cases would be most favorable to the cases he listed. It is not the Law Library's or the Law Library clerks' responsibility to do the research for him. After I/M Roppolo determines what cases are most favorable, the Law Library will print them and allow him to purchase the documents.

Have you previously submitted a grievance on this same issue? No If yes, what date N/A, facility N/A, grievance # N/A. You must submit this completed original within 15 days of the receipt of the response to the "Request to Staff". The "Request to Staff" must have been submitted within 7 days of the incident.

Do not include/attach anything to this grievance except the "Request to Staff" including the response. You may quote from or make reference to statutes, operations, field, or administrative memoranda, department publications (time sheets, inventory forms, assessments, etc.). You will be permitted only one opportunity to correct any error(s) made in submitting your grievance.

- The nature of your complaint. This statement must be specific as to the complaint, dates, places, personnel involved, and how you were affected. One issue or incident per grievance. Use backside of this page only, if necessary. I submitted an offender request to the Davis Correctional Facility's Law Library Supervisor Ms. Willa Burney on 1-3-18 asking her to provide me with Shepard's cases I need to research the legality of conducting business which I had prior to my incarceration via my agent. She responded on 1-4-18 to tell me "do you wish to purchase the cases? otherwise you may sign up for computer time and view these cases."
- Informal action taken (including dates) to resolve the complaint, as well as the names of those employees from whom you sought an answer to your grievance. I submitted an informal communication to Ms. Willa Burney on 1-3-18; I again submitted another informal resolution to Ms. Willa Burney on 1-8-18. Then on 1-15-18 I submitted a sub-formal "RTS" (Request to Staff) # 6-2018-0418 which accompanies this formal action to Ms. Willa Burney the Davis Correctional Facility's Law Library Supervisor.
- The action you believe the reviewing authority may lawfully take. Please require Ms. Willa Burney to allow me to purchase only the most favorable U.S. Supreme Court, 10th Cir. So again, I wrote her on 1-15-18 to advise her of the importance of my need of the shepards then she swung left and accused me of threatening her for advising her I'd take civil action for her deliberate frustration, hindrance and thwarting me in exercising my First Amendment Right to Access to the Courts. See Johnson v. Avery, 393 U.S. 483, 490 (1969); and Trujillo v. Williams 465 F.3d 1210 (10th Cir. 2006) see also Tribe v. I do not understand which is why I need Mrs. Burney to provide me hard copy shepards because my cellmate will not always be with me to assist me and my learning disability requires I read-mark the most important stuff which a 2 to 3 hour visit to the ("LRC") for me will not suffice. Mrs. Willa Burney and her law clerks are required by law and the U.S. Constitution to make time to provide me meaningful access to the Courts. Without these shepards it is not meaningful to me due to my mental disabilities and inability to personally operate a ("LRC") and my cellmate will not be with me always.

**Re: Improperly Submitted Grievance Appeal (#DCF-2018-1001-00098-G)**

Dear Mr. Roppolo:

Your "Misconduct/Grievance Appeal to Administrative Review Authority" (appeal) form, dated May 14, 2018, was received in the medical administrative review authority's (MARA) office on May 24, 2018. In accordance with OP-090124, I am returning (a copy of) your original correspondence unanswered for the following reason(s):

1. You are out of time to submit this complaint. According to OP-090124, the documents must be received in the appropriate office within the requisite time frame. Policy mandates that your "Request to Staff" (RTS) form be received within seven (7) calendar days of the underlying incident. The event of which you complain occurred on April 5, 2018. Your RTS was not stamped into the law library until April 23, 2018. Consequently, you are out of time to submit grievance #2018-1001-00098-G.

The appropriate method for addressing any health concern is via the facility's sick call process. Please document such concerns on a "Request for Health Services" form and submit it to the medical unit at your facility. If necessary, an appointment can then be scheduled for you to be examined by a qualified health care professional.

**PLEASE NOTE:** You are being issued a restriction warning for misuse of the grievance process. A grievance restriction may be imposed, as described in §IX, for any subsequent misuse and/or abuse of the grievance process. It is your responsibility to submit your grievance correspondence properly in accordance with OP-090124. Please read this policy carefully before you submit any other correspondence. Contact your case manager if you have questions or need further assistance regarding the grievance process.

Visit I was told to fill out a request to have cavities filled.

This means I have waited one year for nothing. I have lost more teeth and can't eat very well. Please make this right.

Incidentally, They did fix my broken partial and did a great job; however, after my last visit 11-15-18 I lost another tooth and can't even use the partial. It's very hard to eat - even painful.

Happy Thanksgiving.

I had his name for my Non-association Form as he threatened to murder me long before being moved to P-B-104.

His name should not be hard to locate as he did his time, after I refused him, in P-B-108. He counted weekday in 108 for about 1 month.

Mrs. Adon says she does not know what I'm talking about and Mr. Marteniz says he probably was sent here to murder me as - there is NO record of him. Funny! The nurses remember him

positive I am being led to be slaughtered.  
This is not fair to be punished for  
something like this if it is reality  
of a mental health issue.

I would have gone home in 1 1/2 yrs  
on level 4. Now I have been stripped  
to level 1 doing day per day. It  
will take me another 8 yrs!  
Just to get home.

This has now become a mental health  
issue as the Trauma is intense &  
long lasting—too long.

~~mis Adea~~ mis Sanford, I can  
assure you I would never  
do anything to hurt myself.

STIPENDIUM... I told me why they... were trying to kill me. So for my own protection I wrote my response on the walls with shit out of my butt for the camera to read:

No, I am not a Rat. And No, I am not in a gang  
Nor am I suicidal. HELP-HELP!

Yes, Mrs Sanford has come through and spoke with me. But the above type actions is evident of serious Trauma. Trauma that warrants more than pills or friendly chats through a door. Therapy is needed.

In my mind there are people waiting to slaughter me like a pig. Yet you demand I come out and go back to E-B or be punished by losing everything Phone (my family helped my mind), Visits, Canteen, and you have taken all my levels which means I would do another (8) yrs instead of going home in 1 1/2 yrs. That is human injustice.

And it is certainly not fair to force/threaten me with the above without having someone hear my story to ensure my life is not in danger. Nobody has heard my story except 2 outside private groups that are doing what they do: probably watching you

\* My mind has suffered with immense pain for months from whatever triggered my breakdown and emergency exit in E-B-112. I feel like a mouse in a rattlesnake cage. There is no way out - not even if I'm out.

How will you punish me next?
